Core Competencies

Our company is a leading provider of unique home medical supplies for people with varying physical needs. We search for and deliver useful tools, appliances, equipment, and rehabilitation products that help make accomplishing daily tasks less difficult.

- We warehouse over 90% of what we sell.
- No minimum order.
- Experienced staff who have worked in healthcare settings with patients.
- Unique therapeutic products that therapists recommend that are difficult to locate.
- Able to provide quotes for large quantity orders.
- Accept Credit and Purchase Cards.
