

Introducing Push Sport Braces to the US, at TheWrightStuff.com!

PUSH SPORTS ANKLE BRACE KICX

EASY-ON BRACE, BASED ON PRO TAPING

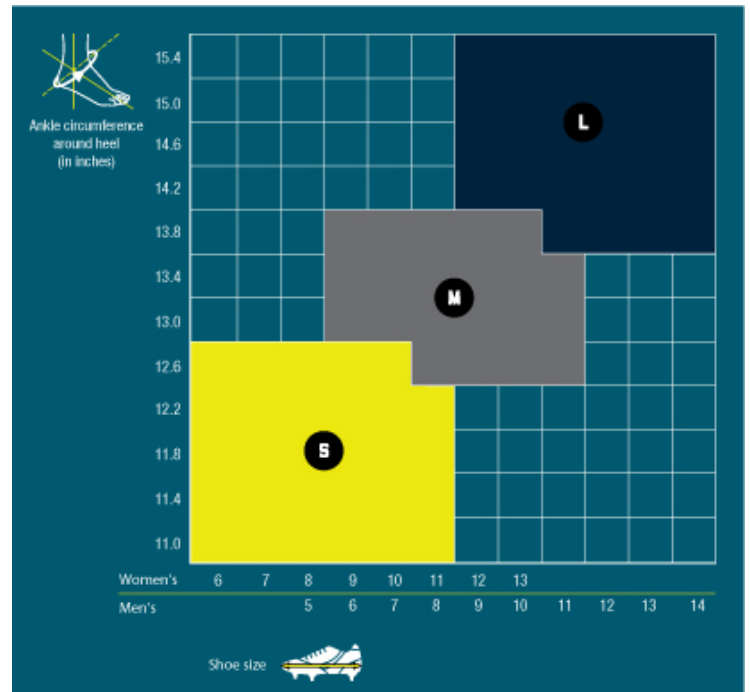

- Low-profile design is easily worn inside even the smallest shoe, including cleats
- Minimal midfoot material optimizes foot function for soccer, football, baseball, basketball, etc.
- Straightforward strap system enables easy application
- Adjustable compression assures comfort
- Light weight, ultra-thin, yet strong materials allow unrestricted performance

From the makers of the *Push MetaGrip* and other *Push premium braces*

Indications

- Lateral/medial ankle sprain
- Chronic ankle instability
- Prevention of ankle sprains
