sock  ox™

SOCK AID

WORLD'S FASTEST SOCK TOOL

The patented Sock Ox™ helps put on socks quickly and easily while adjusting for a variety of leg lengths and sock sizes. The ergonomic design and strong handle assist with the following:

ADJUSTABLE WIDTH:
change wings to fit
multiple sock widths

- Back, knee or hip problems
- Decreased flexibility
- Those who are pregnant
- Those who are overweight

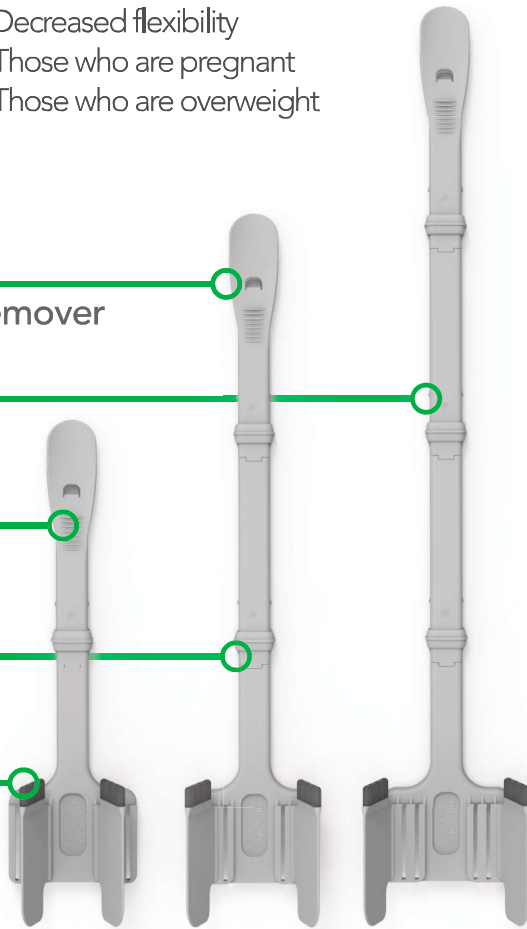

Shoe Horn & Sock Remover

Rigid, Strong Handle

Modular & Compact

Sliding Locking Rings

Soft Touch
Sock Grips

Experts estimate that up to 80% of the population will experience intense back pain at some point in life.
