

## Installation Instructions for the SnapIt! System™ MultiMount Bracket

Use the MultiMount Bracket and included UniClamp to mount SnapIt! Accessories to walkers, wheelchairs, crutches, rollators and electric scooter handlebars.

Hold the UniClamp (Fits tubes from 3/4" to 1 3/8" dia and some square tubes.) to the tube where convenience item is to be mounted.

Select holes that allow for a vertical mount. Hand tighten with #2 Philips screwdriver until unit is secure.

Do not over tighten!
